**SECURE
YOUR SEAT**

ABOUT US

We are an innovation-driven IT solutions provider. We require highly skilled technical professionals capable of implementing complex algorithms to fulfill the development needs of our products.

We Support B.Tech (CSE) aspirants for making their career success through our academic and Industry Partners.

IT CAREER

If you believe you are suited for a career in IT and are ready to take on challenges, Para Apara Technology Solutions Pvt. Ltd. is the right place for you.

Passionate and career-driven candidates are encouraged to join this program. A minimum of 50 percentile in JEE is required for eligibility.

WHO CAN JOIN?

Your JEE score is good, but you are still unable to secure admission in the institute of your choice. You may also find it difficult to afford the high fees of reputed private colleges or universities, and feel uncertain about the return on your investment.

If you are serious about building your skills as well as ensuring a strong return on investment, and do not want to compromise on your preferred branch, you can contact ParaApara Technology Solutions Pvt. Ltd.

OUR KEY HIGHLIGHTS

EXPERT GUIDANCE IN INSTITUTE SELECTION

- We help in Selecting an institute of your choice based on your preferred branch and budget. Our personalized support take care of various parameters. Budget, Branch and employability are big factors to consider.
